Re: City of Menasha Alcohol Operators License Application

Dear Ms Hernandez

Upon conducting a background investigation regarding your application for an alcohol operator's license in the City of Menasha the following information was determined.

On the following dates you were convicted of Operating Without a License in Winnebago county July 8, 2009 and August 4, 2009.

On the following dates you were convicted of Operating Without a License in Outagamie County: March 15, 2010, May 11, 2010, and June 21, 2012.

Also, on October 17, 2013 you were convicted of Operating While Suspended in the Town of Menasha Police Department Municipal Court.

Based on these convictions I have outlined above, I will be recommending the Common Council deny your request for an Alcohol Operators License in the City of Menasha because under guideline #3 you would be considered a Habitual Law Offender.

In engaging in bartending involves the purchase and sale of a closely regulated substance/alcohol. Individuals granted an Alcohol Operator's License must act in cooperation with law enforcement to enforce the alcohol beverage laws, drunk driving laws, and assist in minimizing disturbance of the peace and maintaining

the safety of the community. The incidents you have been convicted of substantially relate to the license in which you have applied and arose out of separate incidents which occurred within a period of time over the last ten years. The City of Menasha Police Department is recommending to the Common Council that they deny your application for an Alcohol Operator's License within the City of Menasha. The recommendation will be given to the Common Council at its next meeting on March 3, 2014 at 6:00 p.m., or shortly thereafter.

Should you wish to provide comment to the Common Council on your application you may do so during the public participation portion of the meeting.

Sincerely,

Lt. Ron Bouchard
